Position: EHS Specialist
Reports to: Facilities Manager/Director
Salary: \$ 50,000.00 - \$75,000.00
Date: March 2024

Summary: At RASIRC, our mission is to transform condensables into Dynamic Vapors that enable process advancements in semiconductors and adjacent markets.

Role: The EHS and Facilities Specialist is responsible for environmental health and safety, facilities maintenance, chemical and hazardous materials inventory and control, and equipment maintenance and repair.

Job Responsibilities:

- Ensuring alignment of environmental health and safety policies with local, state, and federal requirements and regulations.
- Develop, update, and implement EHS policies and procedures in compliance with federal, state, and local regulations as well as company standards.
- Ensure that policies and procedures are effectively communicated to all relevant stakeholders.
- Serve as safety coordinator and safety committee chair providing awareness and implementing corrective actions for identified safety issues.
- Conduct needs analyses for company environmental health and training programs.
- Coordination of emergency response planning, accident investigation and contractor supervision.
- General maintenance of facility related issues associated with infrastructure, utilities, HVAC, nitrogen and compressed air delivery, ultra-pure water delivery and cleanroom facility operation.
- Developing and maintaining, tracking, and reporting of chemical management programs
- Ensuring compliance for hazardous materials collection, storage, and disposal.
- Coordinator of all equipment maintenance, scheduling, and repair.
- Identify requirements for and implement training for all EHS programs.
- Building security and access..

Required Qualifications and Skills:

- **Education:** Bachelor's degree in Environmental Science, Occupational Health and Safety, Engineering, or related field. Advanced degree or professional certification (e.g., Certified Safety Professional, Certified Industrial Hygienist) preferred.
- **Experience:** Minimum of 5 years of experience facilities or EHS
- **Citizenship:** RASIRC does not assume the responsibility to sponsor employees, US citizenship or Permanent Resident Certificate (Green Card) is required for this job.
- Proficient use of written and verbal English.
